### FROM THE COMMANDER'S DESK

As I was mowing my lawn for the last time this year, my mind started to wander as I made my way around my property for the umpteenth time. My mind drifted to the movie "Saving Private Ryan". If you haven't seen it, I suggest you do. I thought how could anyone have made it off that beach. It was very painful to watch.

Then I thought of the courage and determination of our fighting forces and know it wasn't a matter of if, but when they got off the beach. I said a little prayer for their sacrifice and our freedoms.

The other thing that stuck in my mind from that movie was near the end when Captain Miller said to Ryan just before he died, "Earn it." Of course he meant that a whole squad of men sacrificed their lives for you; make something of yourself and do right by them. Pretty heavy, right?

It made me think "have I earned it"? I thought of all the men and women who sacrificed their lives so that I could live in freedom. "Earn it." I thought you have to be kidding yourself. But I figured the only way I could come close to "earning it" was to do what I can to help my family, other veterans and the community. I don't always succeed, but I try and when I do succeed it is all the sweeter. I am forever grateful to those who have made it possible.

As always the Post can use volunteers. Start by attending a meeting. Your thoughts and input are encouraged. Help out at Bingo or setup and take down for rentals. Join the color guard, march in a parade. We have the same group of volunteers doing these and many other things for the Post.

Isn't it time to step up and help out? Is it just enough to say you belong to the American Legion? I think you will be surprised at how satisfying it can be to be active in your Post. I invite you to be active.

Jim Heimann, Commander

### Badger Girls

Our Chairperson, Greta, spoke to the Germantown High School counselor and he has agreed to select 2 girls to go to Oshkosh in June for Badger Girls. This has been a wonderful experience for the girls selected to attend. They all come back with glowing reports of their time spent in Oshkosh and how much they have learned about government.

### Cabinets

We are getting a cleaning crew together to clean our auxiliary room cabinets. We have decided that if we remove the items we are not using, we would have enough space available without have to invest money in buying something new.

### Donations

We have ordered a Spinoza Bear to be presented to a terminally ill child at Children's Hospital. When we receive the bear, we will contact Children's Hospital to identify a recipient and then go to the hospital to present the bear.

We also purchased Love Pillows for children at the hospital. These are pillows given to little children after surgery so when they are recovering and need to cough, they can hold them close.

We donated money to the Germantown Police Department to help Bosco. He is the Germantown Police Dog who needed medical help to treat a non-cancerous mass.

### Blankets

We delivered the blankets we made to the VA Hospital. They were very grateful to receive them and we plan on making more in the future.

### Christmas Party

We had a nice Christmas party lunch for the legion after our December 10 auxiliary meeting. The turnout was good but we would really like to see more Legion members attend.

### Coupons

Department has a new coupon program started for service people and their families who are overseas. We are looking into the program and will tell you more about it at our next meeting.

### Reflection

"Age is for wine and cheese. Don't count the candles on the cake; just keep 'em lit."

### Through the Eyes of a Child

During my piano recital, I was on a stage and I was scared. I looked at all the people watching me and saw my daddy waving and smiling. He was the only one doing that. I wasn't scared anymore.

### Next Meeting

Wednesday, January 14 at 7:30 p.m.

Hope you all ha a very Merry Christmas and have a happy and healthy New Year!!!

God Bless America and All Who Serve.

President Bette
